

#RSW27

21st - 27th June | 2027

Headline Sponsor

Raise the profile of, and shine a spotlight on, the importance of safety across the UK rail industry; for our people, our passengers and customers and the wider public

Bring the industry together delivering the same message across a dedicated week

Prevent accidents, fatalities, and deaths in and around the rail infrastructure, in rail premises and in all rail related workplaces

Work collaboratively with as many organisations as possible to successfully deliver Rail Safety Week
